Dear [REDACTED]

I can't begin to tell you how disappointed I am in you that you had to resort to a poll to find out who was pro-gay and who was anti-gay. Now what do you intend to do with your list of people? Wasn't it you that stated that you and you pseudo-religious people were going to launch some sort of guerilla style tactical warfare to "eradicate" all traces of the "homosexual agenda?" Let me ask you one thing Mr. [REDACTED] Where do you people come up with this stuff? I mean I can expect this coming from Reverend Phelps and his band of lunatics...conspiracy theories on how gays are banding to take over the world and make everyone "homo-sexu-al", oh and poor old dear Uncle Walt Disney must be turning over in his grave to know that his Magic Kingdom supports Gay Days! GASP! When is it going to end, [REDACTED] Do you know how much of a buffon you and your kind look like when you try to sell your conspiracies to people? About the only ones that listen to you are the half wits who can't argue past the bible and our moronic president George W Bush...who by the way not only lied to get to where he is today..but covered

his behind to keep the American public from knowing that he lied and usurped the presidency. The American people never wanted him to begin with...just your ilk.

I have seen to many of my brothers and sisters, gays and lesbians, MURDERED, in the name of God...that's right...in the name of YOUR God...YOUR religion! And I am sure that if God were to walk this earth in human form I can imagine the harsh words he would have for you..for Pat Robertson...For Reverend Phelps. God's plan was to love people and to accept people for who they are regardless. Yet you and your twisted band of religious zealots have deceived your followers and made this into a culture war where the life of an innocent gay person means nothing to you...except to "brainwash" and reprogram so it conforms to what you want it to.

b6
b7c

Well guess what? I have thrown down the gauntlet in front of you [] ..if this is a guerilla style tactical warfare you want on the gay community then consider it brought. You want bloodshed? You got it! You want to send you so called "soldiers" out there to do your dirty work...FINE! Just to let you know...you can only push a minority against a wall so far before they start to push back and already the liberal voice is resounding across the nation with a voice that is so earth shattering that I hope that it chases the church out of the government for good! Starting with you [] [] ..you will be the first of the seven to fall...your organization..your home..your life....and then work it down the line. Reverend Phelps..Pat Robertson...Jerry Falwell...you have all brought this on yourselves...if it is war you want it is war you get...consider this your warning.

You think this stupid poll of yours proves something doesn't it? It doesn't prove a damn thing! And how many of your people double voted on it like they always do on any other poll involving gay issues? WE now this to be FACT! So don't hold your breath thinking that President Bush is going to play into your pocket on this issue because as far as we can tell he isn't going to be re-elected anytime soon and as soon as he is out of office the true rulers of this nation will make sure that the church never has a say in what goes on in politics ever again! So eat shit and die, [REDACTED] boy!

Help Save Marriage!

The Massachusetts Supreme Court has ruled that homosexual marriage is legal.

Because of the "full faith and credit" clause in the U.S. Constitution, that means every other state may be forced to accept the legalization of homosexual marriage by recognizing the Massachusetts law. **THE TIME TO ACT IS NOW!**

Homosexual marriage will soon be a reality in your state if you fail to get involved! Join over 881,486 others and sign the following petition supporting a federal marriage amendment. This petition will be presented to Congress at an appropriate time.

»A Petition to Members of Congress«

Traditional marriage between a man and woman is the God-ordained building block of the family and bedrock of a civil society. Therefore, I urge your support of a federal marriage amendment to protect traditional marriage between one woman and one man.
